13. Fee Details of Fee, as approved by State Fee Committee, for the Institution• Time schedule forpayment of Fee for the entire Programme

UG Structure:

Government Quota: Rs. 50000 /
year Management Quota Rs. 80000

/ year PG Structure:

Government Quota: Rs. 30000 /
year Management Quota Rs. 50000

/ year Admission Policy and

Process

Admissions are made as per State Government Norms. 65% of seats through Single Window Counseling and 35% of seats are filled through the Consortium of Self-Financing Professional Colleges, Tamil Nadu, as per the norms of Government of Tamil Nadu.

Document Retention Policy

Original Certificates will be retained until getting Directorate of Technical Education approval.

Reservation Policy

Seats are reserved for different categories according to TNEA Reservation Policy PERI Institute of Technology follows TN government reservation policy. Anna University conducts TNEA (Tamil Nadu Engineering Admission) for engineering aspirants who are seeking admissions in Tamil Nadu based colleges. There are specific categories like OC, BC, BCM, MBC, DNC, SC, SCA and ST which are offered admissions through TNEA reservation criteria.

- TNEA 2020 Reservation is based on the rules and guidelines laid down by the Government of TamilNadu.
- Seats have been reserved for different categories according to TNEA Reservation Policy.
- TNEA 2020 Application Process is expected to start in the first week of May 2020.
- Candidates shall be given admission based on their performance in class 12th examination. TNEA Eligibility Criteria TNEA 2020 Category-Wise Seat Distribution As per the rules of reservation for TNEA 2020, the selection of the candidate will be based on seven categories. These seven categories are- OC, BC, BCM (BC Muslim), MBC and DNC, SC, SCA and ST reservation.

S. No	Categories	Percentage Reservation
1	Open Competition (OC)	31
2	Backward Class (BC)	26.5
3	Backward Class Muslim (BCM)	3.5

4	Most Backward Class and Denotified Communities (MBC and DNC)	20
5	Scheduled Caste (SC)	15
6	Scheduled Caste (Arunthathiyars)	3
7	Scheduled Tribes (ST)	1

No. of Fee waivers granted with amount and name of students• Number of scholarship offered by the Institution, duration and amount• Criteria for Fee waivers/scholarship• Estimated cost of Boarding and Lodging in Hostels Rs 50-60K• Any other fee please specify

14. Admission Number of seats sanctioned with the year of approval• Number of Students admitted undervarious categories each year in the last three years

Red Hat Partner Agreement
(India)
Dr. R. PALSON KENNEDY, M.E., Ph.D.,
PRINCIPAL
PERI INSTITUTE OF TECHNOLOGY
Mannivakkam, Chennai-600 048.

1. **Background and Purpose.** This Program Appendix ("Appendix") establishes the terms and conditions under which Partner will participate in the Red Hat Academy Program ("RHA" or "Program") in the Territory. Under the Program, Red Hat provides Partner an Internet deployed and managed Curriculum, Software, and Services and Partner provides the facilities and Teachers and delivers the Courses to Students as set forth in this Appendix. Capitalized terms not defined in this Appendix shall have the meaning given to them in the Partner Agreement between the parties, including the Partner Terms and Conditions.

2. **Definitions.**

"Appendix" means this Red Hat Certified Training Partner Program Appendix, including the terms and conditions governing the relationship between the Parties as contemplated by this Appendix, and further subject to the terms and conditions of the Partner Acceptance Document ("PAD"), to which this Appendix shall be an attachment.

"Curriculum" means the Courses, Course Materials, Manuals, and any and all instructional content, assessment, tests, and instructional materials included therein whether in print or electronic format, provided by Red Hat as part of the Red Hat Academy Program.

"Course" or "Courses" means the specific courses or units of study that may be taught under the RHA and as set forth in Exhibit A, Exhibit C and as otherwise offered by Red Hat under the Red Hat Academy Program.

"Course Materials" means any and all instructional and educational content provided directly or indirectly by Red Hat, including without limitation designs, course names and numbers, course materials, Manuals, methodologies, software, scripts, processes, instructional materials, slides, notes, lab exercises, assessment tools, quizzes, tests, answer keys, scripts, files, instructor guides and/or any other materials in any format, provided in connection with the Curriculum whether distributed in print, electronic, or video format, including, without limitation, Student Kits, Exams, Exam Kits, and Exam Authorizations. Any of the foregoing may be modified by Red Hat, from time-to-time, at its sole discretion.

"Documentation" means user manuals, training materials, software descriptions and specifications, brochures, technical manuals, license agreements, supporting materials and other printed information provided in connection with the Learning Services, in any format.

"Effective Date" means the first date when both parties have fully accepted or signed the Partner Agreement including this Appendix.

"Exam" means a Red Hat performance based certification exam.

"Partner" means a qualified university, academic institution, or entity with a workforce development program that acquires the Red Hat Academy Subscription for its own use to be provided to Partner's Students and without the right to directly or indirectly sell, resell, remarket, or, in whole or in part, otherwise distribute Red Hat Academy. Eligibility of a Partner is determined at Red Hat's sole and exclusive discretion.

"Program Subscription Fee" means the annual subscription fee paid by Partner that provides Curriculum, Software and Services to the Partner and enables Partner to teach the Curriculum to Students as set forth herein or in separate mutually agreed order.

"Services" means Learning Services provided as part of the Program.

"Student(s)" is a person enrolled full or part-time in the Partner's school, institution of learning and admitted to a degree awarding program (e.g. diploma, or degree, program, or certificate program) and attends a Course as taught by a Teacher.

"Student Kit" means the individually printed and packaged, digital or online Course Materials required for one (1) Student enrolled in a single Course.

"Software" means Red Hat Enterprise Linux, JBoss Enterprise Middleware and other software programs branded by Red Hat, its Affiliates and/or third parties including all modifications, additions or further enhancements delivered by Red Hat.

"Teacher" is a Partner employee or contractor who meets all qualifications determined by Red Hat who teaches and instructs Courses for the Partner.

Red Hat Partner Agreement
(India)

Dr. R. PALSON KENNEDY, M.E., Ph.D.,
PRINCIPAL
PERI INSTITUTE OF TECHNOLOGY
Mannivakkam, Chennai-600 048.

"Teacher Kit" means a set of materials, including a copy of the Red Hat Academy Student Kit as well as supplemental Instructor materials, assembled by Red Hat solely for use by a Red Hat Academy instructor in delivering Red Hat Academy classes.

3. License and Ownership

- 3.1 License Grant.** Upon Partner paying the applicable Fee(s), Red Hat grants Partner a non-exclusive, revocable, fully paid license, with no right to sublicense (including, but not limited to, sell), to use the Curriculum and Course Materials pursuant to the Agreement as follows: (a) distribution of Course Materials is limited to one (1) copy per Teacher and one (1) copy per Student; (b) Curriculum are provided solely for the use by Teachers and Students in the Course and such Curriculum may not be copied or transferred without the prior written consent of Red Hat; and (c) Curriculum must be taught sequentially and completed by Partner in no less than eight (8) weeks. The Curriculum shall not be used to teach or instruct to any person who is not officially enrolled as a Student and admitted to a degree, diploma, or certificate awarding program of Partner.

Notwithstanding the foregoing, all Curriculum is the sole property of Red Hat and its licensors, and are copyrighted by Red Hat unless otherwise indicated therein. Red Hat and its licensors will have sole ownership of any and all Curriculum including but not limited to methodologies, software, processes, or other intellectual property developed during the performance of the Services. Red Hat will provide Software for the use by the Partner and Students in the Course. Use of the Software is subject to the End User License Agreement set forth http://www.redhat.com/licenses/rhel_rha_eula.html. The Services may only be used by Partner. Partner is solely responsible for providing prerequisite skills, assessing its Students' suitability for use of the Curriculum, delivery of all instruction to Students, all grading and assessment of Students, and handling of all Student and Teacher information. Partner hereby agrees that Software used outside of the Program is covered under terms and conditions of the Enterprise Agreement including Appendix 1, Subscription Services, set forth at www.redhat.com/licenses, which may be amended from time to time by Red Hat in its sole discretion.

- 3.2 Retained Rights.** No part of the Curriculum may be photocopied or duplicated by any means, whether photographic, or electronic, or mechanical, or sold or distributed in any other delivery format whether in print or electronic, or used as the basis for any other training product or service, without written permission from Red Hat. Partner's rights in the Curriculum are limited to those license rights expressly granted under this Appendix, and Red Hat retains all rights not expressly granted. Partner will not (a) modify the Curriculum in any manner; or (b) use the Curriculum for any purpose not specifically permitted by this Appendix. Red Hat and its licensors will own and retain all right, title, and interest in the Curriculum and all intellectual property rights inherent therein, including without limitation all changes and improvements requested or suggested by Partner, notwithstanding any use of terms such as "purchase", "sale", or the like within the Agreement. Partner represents and warrants that its use of the Curriculum will be to fulfill obligations under this Appendix. Any unauthorized use of the Curriculum will be deemed a material breach of the Agreement. Prior to providing Students with access to Curriculum, Partner will require each Student to sign or otherwise assent (in a binding manner) to the Enterprise Agreement with Appendix 2, Training, Training Units, and Consulting Units set forth at <http://www.redhat.com/licenses/>, which may be amended from time to time by Red Hat in its sole discretion. Partner's internal use of Courses or Exams is subject to the Enterprise Agreement with Appendix 2, Training, Training Units, and Consulting Units set forth at <http://www.redhat.com/licenses/>, which may be amended from time to time by Red Hat in its sole discretion.
- 3.3 Permitted Marks.** Partner may only use the logo(s) set forth in Exhibit B to the Program in conjunction with the promotion of Partner providing Red Hat Academy Courses to Students. Partner may not use the logo(s) in general advertisements or marketing materials that do not specifically address or support the sale of Courses under the Program.
- 3.4 Copyright Notices.** Partner will ensure that all copies of the Curriculum in Partner's possession or control incorporate copyright and other proprietary notices in the same manner that Red Hat incorporates such notices in the Curriculum or in any manner reasonably requested by Red Hat. Partner will promptly notify Red Hat in writing upon its discovery of any unauthorized use of the Curriculum or infringement of the Curriculum or Red Hat's proprietary rights in the Curriculum.
- 3.5 Use of Red Hat Software.** Any use of Red Hat Software is subject to Red Hat's standard agreements including the Enterprise Agreement set forth at www.redhat.com/licenses, the applicable Red Hat End User Agreement(s) set forth at www.redhat.com/licenses/eulas and/or any other mutually signed written agreement with Red Hat as applicable.

4. Fees and Payment

- 4.1 General.** Any fees or charges ("**Fees**") will be due and payable by Partner in accordance with the Agreement. Partner may purchase from Red Hat directly, or through an Authorized Red Hat Reseller Partner. If Partner acquires Subscriptions, Courses and/or Services through a Red Hat Academy Program Reseller, the Fees for such Subscriptions, Courses and/or Services will be determined by such Reseller and may vary from the Red Hat Fees.

- 4.2 **Direct.** If Partner purchases directly from Red Hat, Fees will be identified by Red Hat in an Order Form and are (a) due upon Red Hat's acceptance of an Order Form, and (b) payable in accordance with this section. All Fees are stated in United States Dollars. Partner must pay all Fees within thirty (30) days from the date of invoice, without regard for when, and whether, Partner collects payment from a Student. Fees do not include out-of-pocket expenses or shipping costs. Partner agrees to reimburse Red Hat for its reasonable expenses incurred in performing the Services including travel, lodging and non-routine supplies, in accordance with Red Hat's travel and expense policies. All Fees are non-refundable. Red Hat will invoice Partner upon Red Hat's receipt of a purchase order for any amounts due to Red Hat pursuant to this Agreement; provided, however, that the terms of such purchase order will not amend, supplement or modify the terms of this Agreement or be binding on Red Hat. Red Hat reserves the right to change the credit terms or terminate the Agreement if Red Hat has not received payment within five (5) days of when it is due. Renewal Fees will be the same price listed in the Order Form.
5. **Publicity.** Red Hat and Partner shall each have the right to identify Partner as a Red Hat Academy partner, provided, however, that for any press release, media alert, or other public communication, each party shall obtain the other party's review and written consent before publishing such information in any form.
6. **Term, Termination, Mandatory Disclosure and Public Officials**
- 6.1 **Term.** Unless otherwise specified in writing by the parties, the initial term of this Appendix shall be one (1) year (the "Initial Term"). Thereafter, the term for this Appendix shall renew for successive terms of one (1) year each (each, a "Renewal Term"), with each Renewal Term beginning on the anniversary of the Initial Term unless either party gives written notice to the other of its intention not to renew at least sixty (60) days prior to the commencement of the next term. As used herein, the Initial Term and each Renewal Term individually refer to a "Term" and collectively the "Appendix Term."
- 6.2 **Termination.**
- 6.2.1 **Termination for Breach.** Notwithstanding anything to the contrary Red Hat may terminate this Appendix as provided for under Section 13.2 of the **Partner Terms and Conditions Appendix**, or in the event (a) Partner fails to pay an invoice when due, (b) Partner commits a breach of this Agreement and fails to remedy that breach within 30 days of receipt of notice of breach, or (c) as otherwise provided in the Agreement. Partner may terminate the Appendix in the event Red Hat commits a material breach of the Appendix and fails to remedy such breach within 30 days of receipt of notice of material breach.
- 6.2.2 **Termination for Convenience.** Either Party may terminate this Appendix, without prejudice to any other right or remedy, for any reason upon sixty (60) days notice in writing to the other Party.
- 6.3 **Survival.** Upon expiration or termination, all rights and obligations of the Parties under this Appendix will terminate immediately except, Section 3.2, 3.4, 4.2, Section 3 of Exhibit A, and Exhibit C will survive such termination or expiration. Termination of this Agreement shall not affect any agreements between Red Hat and any Students.
- 6.4 **Mandatory Disclosure.** For the avoidance of doubt, Partner may disclose the existence of this agreement and relevant terms, if it is required to do so by applicable law or regulation. Before disclosing the information, to the extent reasonably practical, Partner shall first notify Red Hat of the disclosure requirement (if it can provide notice without breaching any legal or regulatory requirement).
- 6.5 **Public Officials.** The Parties acknowledge that, if Partner is a public university or public education institution, notwithstanding the warranty to the contrary in Section 14.3.2 of the Red Hat Partner Terms and Conditions, Partner Officials may be government or public officials.

Red Hat Partner Agreement
(India)

Dr.R. PALSON KENNEDY, M.E., Ph.D.,
PRINCIPAL
PERI INSTITUTE OF TECHNOLOGY
Mannivakkam, Chennai-600 048.

1. Red Hat Academy Subscription. Red Hat Academy Subscriptions contain the following:

(a) Authorization and access to, and use of, the Curriculum in accordance with the terms set forth herein. The Program Fee includes Curriculum and Fees for the initial two hundred (200) Students. Additional Student Curriculum access may be purchased on a per Student basis;

(b) Exams and exam delivery are not included in the Red Hat Academy Subscription and may be purchased separately; and

(c) A list of standard Course offerings in the Red Hat Academy Program is available from Red Hat or a Red Hat Academy Reseller.

2. Partner Requirements.

(a) Partner is solely responsible for providing pre-requisite skills, assessing Student's suitability for use of the Course(s) and Curriculum, appropriate use of any Internet access, delivery of all instruction to Students, all grading and assessment of Students, and handling of all Student information.

(b) Partner must notify Red Hat of the number of Students in each Course within one business day after the Course begins.

(c) Partner will provide Students with access to Student software labs. Access to such labs may be purchased through a Red Hat Lab Partner, through a third party cloud hosting provider authorized to provide such software lab access, or may be provided by the Partner through its own resources.

(d) Partner shall maintain at least one (1) Red Hat Certified Professional during the Appendix Term. Partner will notify Red Hat upon appointment or replacement of Red Hat Certified Professionals.

3. Red Hat Academy Subscription Fees. Partner shall pay the Program Fee, if applicable, annually, before the beginning of the Initial Term and each Renewal Term. Courses and additional services can be ordered by Partner from a Red Hat Academy Reseller. All Red Hat Services purchased during the Appendix Term must be used within each one (1) year Term in which it was purchased or such Red Hat Services shall be forfeited.

AQUA PURE PLUS, greets you to its escalating cosmos of world of **Drinking Water Purifiers**. Stepped in the field of import and export of RO water purification systems, we have successfully carved a niche as the leading Ro water plants importer and supplier from India. The RO systems proffered by us are highly admired by our customers for their outstanding quality.

Our excellence and innovation are the stepping stones for the growth of our organization. Moreover, these have been the keys to the doors of success for our company that has assisted us in reaching acme heights within a short span of time. We endeavor towards the utmost satisfaction of our esteemed customers by delivering them peerless quality products. Dedicated to the cause of providing healthier living, today we have successfully established ourselves as a business super-brand and our dedicated team works around the clock to make your lives healthier and more secure. We strive to provide the best after sales service.

M2.2 PERI INSTITUTE OF TECHNOLOGY

PERI INSTITUTE OF TECHNOLOGY was established in 2010 approved by AICTE and affiliated to Anna University, is located at No-1, Mannivakkam, Near West Tambaram, Chennai-600048. The college offers 5 B.E. UG programmes and 2 PG programmes. In recognition of the stringent quality, high standards of academic excellence and state of the art infrastructure in tune with requirements of curricula, the college has been awarded the coveted ISO 9001 : 2000 certification by TUV Nord. The high level of academic achievements of PERI INSTITUTE OF TECHNOLOGY is reflected in the popularity of the college among the students for admission and among the industries for recruitment of graduates from PERI INSTITUTE OF TECHNOLOGY, due to positive environment provided by the Management.

M2.3 MoU between, AQUA PURE PLUS PVT LTD, Chennai and PERI INSTITUTE OF TECHNOLOGY:

After studying the strengths and objectives, **AQUA PURE PLUS PVT LTD**, and **PERI INSTITUTE OF TECHNOLOGY** agreed that they can share the expertise available at both ends for mutual benefits in the field of education, training, social development and enter in MoU. Based on the discussion held among the faculty of the **DEPARTMENT OF COMPUTER SCIENCE, PERI INSTITUTE OF TECHNOLOGY AND AQUA PURE PLUS PVT LTD** certain thematic areas / programmes has been identified for mutual collaboration.

The Memorandum of Understanding envisages the following:

M.3.1 Collaborative technical and development activities in the fields of education and training are listed below. The following activities will be carried out between **AQUA PURE PLUS PVT LTD**, and **DEPARTMENT OF COMPUTER SCIENCE of PERI INSTITUTE OF TECHNOLOGY**.

The MoU covers collaboration in the following areas:

1. Support the **AQUA PURE PLUS PVT LTD** team in the achievement of the mission and vision of the organization.
2. Utilising the services of students for training and building their self confidence.
3. Organizing visits and thereby helping with vocational training.
4. Tie up with the relevant information network wherever appropriate.
5. Networking with the student community- to ensure and improve their professional competence.
6. Any other activities deemed fit.

M3.5 Carrying out of modification of the MoU shall not be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be an amendment of this MoU. The modification / changes shall be effective from the date on which they are made or executed, unless otherwise agreed to.

**Memorandum of Understanding
Between
PERI Institute of Technology
And
Ramsays Corporation Pvt Ltd**

PERI Institute of Technology has entered into a Memorandum of Understanding (MoU) with Ramsays Corporation Pvt Ltd on 19/06/2017 for promoting and exploring the areas of cooperation, mutual exchange of Information and Technological know-how, joint collaborative work in R&D projects, curriculum development, infrastructure development, improvement of research and academic programmes and also exchange of experts and researchers.

S. S. S. S.

D. L.
Ramsays Corporation Pvt Ltd
SIPCOT Industrial Park, Phasell
Sriperumbudur - 602105

This MOU states that the two organizations will honour the agreement by:

1. Promoting interaction between Ramsays Coporation Pvt Ltd and PERI Institute Of Technology in mutually beneficial areas of Upcoming technologies in the principal technical and research areas
2. Sharing knowledge and capability in the concern areas for mutual benefits and become trusted partners in the area of knowledge enrichment.
3. Facilitate work from PERI Institute of Technology students/ facilities and Vice versa on projects identified for collaborative business.
4. To conceptualize the research projects to be executed in collaboration on need basis.
5. To collaborate, share information and technology to develop the required skills and intend to create a centre of excellence to support this collaborative effort.

To support the institute in following activities

1. Research work leading to B.E./M.E.
2. Laboratory/ infrastructure Development
3. Capability development of the students
4. Sponsored projects
5. Workshops, Conclave, seminars, Events

The Memorandum signed will be the guiding document for both the parties for execution of the actions and initiatives in the near future. Both the organizations will encourage its members to define the overall strategy and roadmap to carry out the action points contained in it and report on the progress achieved at regular intervals.

IN WITNESWHEREOF THE parties have set their hands hereto on the day hereinabove written under the respective seal of office.

PERI INSTITUTE OF TECHNOLOGY
DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Name	: K.KANNADASAN
Date of Birth	: 12-11-1987
Unique ID	: 1-3376271533
Education Qualifications	: M.E-COMMUNICATION SYSTEMS
Work Experience-	
Teaching	: 11yrs
Research	: nil
Industry	: NIL
Others	: nil
Area of Specialization	: Imageprocessing,Wireless communication
Courses taught at Diploma/ Post Diploma/ Under Graduate/ Post Graduate/ Post Graduate Diploma Level	:Under Graduate / Post Graduate
Research guidance (Number of Students)	:nil
No. of papers published in National/ International Journals/ Conferences	: 15
Master (Completed/Ongoing)	: 10 completed
Ph.D. (Completed/Ongoing)	:nil
Projects carried out	: 12
Patents (Filed & Granted)	:nil
Technology Transfer	:nil
Research Publications (No. of papers published in National/International Journals/Conferences)	:nil
No. of Books published with details (Name of the book, Publisher with ISBN, Year of publication, etc.)	:nil

TWO BEST PRACTICE adopted BY PERI INSTITUTE OF TECHNOLOGY : I-SDE , II-SMS

1. Title of the Practice :

I-Skill Development for Increasing Employability and to promote Entrepreneurship among students.

2. Goal: Enhance quantitative and aptitude ability of the students. Improve their ability to express their views and ideas without any fear. Help them to enhance their analytical and logic building ability, thereby programming becomes a habit. Ensure that they use good vocabulary so that communicating with international clients will not be a problem. Inculcate self-learning as part of their routine learning activity. Involving students in entrepreneurial activities.

3. The Context:

A decade ago recruiting companies gave a feedback that students were technically good but need to be trained for (communication) soft skills. That motivated us to go in for a plan of action and started organizing training programs for soft skills.

Couple of years ago on interaction with recruiters we came to understand that students need to be introduced to recent technologies, as they are not part of curriculum. Hence by collaborating with various industries we have formed Centre of Excellences for different technologies. Last year companies stated that graduate engineers are expected to be productive from day one and whatever may be the stream of study, the students are expected to possess good programming ability. Due to the global scenario, it is essential to produce job providers than job seekers.

4. The practice:

During their First year of study all students are given an orientation program to make them understand what engineering is all about.

They are being introduced to various essential life skills that need to be possessed by an engineer. Students are given detailed introduction to the scope and opportunities available for their field of specialization. Motivational programs are conducted to ignite their thinking ability. They are also exposed to a workshop on creative thinking which is essential for any individual to innovate. Both written and oral communication skill development trainings are scheduled and conducted to all our students. During the second year, all our students are motivated and trained to take up the English communication skills

Additional training is provided to ensure that their analytical ability and reasoning ability are enhanced. They are motivated to participate in national level competitions conducted by various agencies and industries (like AICTE, NASSCOM, TCS, IBM) to showcase and enhance their technical skills. During their third year of study students are trained to enhance their problem-solving ability. All students are mandatorily trained on enhancing their programming skills as all engineering graduates are expected to be computer literate.

During the third-year students are provided with various opportunities to enhance their domain knowledge and also enhance their presentation and communication skills.

Centre of Excellence (COE) are set up to impart training on a specific domain. With the help of industry

experts, we form core committees which will decide and frame the syllabus to be delivered as part of training through a COE. Faculty members are trained by industry experts who would subsequently train the students. In certain cases, industry experts, themselves train the students. Conduct Learn-wise programme through National Entrepreneurship Network and EDI, NAD, Government of Tamil Nadu, which lead to students setting up start-ups.

5. Evidence of Success

Table 7.1: List of Training Provided

S. No	Semester	Conducted By Name/org	Duration
1	1	Orientation Programme-ACE 1 day	02.09.2019
2	1	Motivation Programme-Mr rajan- 1 day	25.09.2019
3	1	Life Skills Workshop-Mr Ganesan 2 days	25 & 26 .07.2019
4	2	Engineering Orientation Programme 1 day	05.10.2019
5	2	Science Orientation Programme 1 day	26.02.2020
6	3	Aptitude test 1 day	27.01.2020
7	4	Communication skills 1 day	07.02.2020
8	7	Career Awareness week-Job Opportunities in IT Sector,Government Sector,Core Sector	17.08.21-19.8.21
9	4	2 days workshop on Python Programming	20.5.21-21.5.21
10.	1	Designing the Student pathway	29.10.21
11.	1	Carreer awareness myths Unfolded	1.11.21
12.	1	One week workshop on “Upskilling Development”	27.12.21 – 31.12.21

Evidence of Success:

During the academic year 2017, 2018 and 2019 we had a placement record of 90% to 97%.We have conducted seven number of skill development programs last year in different context to enhance the students skill & knowledge level.

For the past three years, after practicing the model of Centre of Excellence training we have seen our placement percentage improving from atleast 25% more than previous years.

****Startups***

1.Mr. Sundar had developed a system to remotely monitor and control indoor farming.

2.Mr. in designing, manufacturing, and marketing of Home automation, Wireless communication, Media devices, Lighting, Energy efficient lighting solution and Healthcare products. After developing a product that preserve food, even under low voltage conditions 3.one civil student started his own construction company.

4.M/s Nova by ECE student Robotics Private Limited that develops products using Embedded Technology.

6. Problems Encountered & Resources Required:

Making the students realize the importance of the training being imparted and make them participate with full involvement has been a problem in the beginning. As they see the fruits reaped by their seniors now

most of the students are showing interest to become a member in any one of the Centre of Excellence. Trainers for many of the training programs are acquired through reputed training institutes. For technical training faculty members in our college are trained to deliver the content to our students. We have created the laboratories that are needed to train the students on various

7. Notes:

We have practice of conducting Job Fairs every year for other students . ie apart from conducting campus drives to our own students. we have conducted successfully five number of job fairs to all students. In which total no of participants from various colleges across the state , it crosses minimum of 5000 and goes up to 10,000. almost 25% to 30% of students get placed in medium and moderate companies. Our students will also participate in it as candidates & serve as volunteers as well. there by their managerial skills will improve.

II 1. Title of the Practice:

II- Introduction & Implementation of Student mentoring system & SMS-i Guru

2.Goal:

To foster healthy and positive professional relationships between students, teachers and other Stakeholders. To identify students' academic needs and help them to acquire strong foundational knowledge in Engineering, Science and Technology. To nurture the students' creative minds and help they do innovative projects with social relevance as nation builders.

To help students identify their areas of interest and groom them to achieve their career goals.

To cultivate moral values and inculcate healthy learning habits that will make them develop as an informed, skilled and ethical professional

3. The Context Description

Students transition from school to college needs help, support and proper nurturing in order to adapt to the new learning environment. Besides, most students lack the knowledge of various career options available on completing engineering.

To guide them in matters of higher studies, career goals and job opportunities, a continuous monitoring and mentoring system has been established. This will help them to compete with Global market

4. The Practice :

Based on experience and expertise, suitable mentors are identified to whom mentees are allotted in a ratio of

1:13. Mentors are duly assisted by other faculty members from each department in providing individual care, counselling and also in monitoring their academic progress. Mentors maintain individual mentee reports containing details of their counseling and academic history.

5. Evidence of Success & Outcome :

Attendance is improved well and consequently their performance is also improved in the cycle test & reflected in Model & University end semester examinations as well. Similarly after noon hour cut is totally reduced.

Student's performance gradually improved. Staff performance also improved by adopting the system. They can monitor their students well.

6. Problems encountered:: Finding of getting less marks /performance in continuous assessment Test(CAT/Model), project and Placement. Later on we conducted parents meeting & explained them about their wards academic performance. Then they realized and performed extremely good and got offer with higher packages.
